

The Okavango Experience

A stunning full day trip including game drives through the Khwai River Floodplains exploring the permanent water ways of the Okavango Delta in the Xakanaxa area on board our custom designed double decker cruise boat.

We depart early morning on a game drive from MmaTsebe Tented Camp to the Xakanaxa area of Moremi Game Reserve, through Khwai North Gate approximately a 20-minute drive from camp to the National Park gate. We continue game driving through the Khwai river floodplains and mopane forests to the Xakanaxa area of Moremi Game Reserve arriving between 10-11am morning depending on game sightings and stops along the way.

During our game drive en-route to Xakanaxa we explore the vast Khwai River Floodplains which produce some excellent game viewing opportunities with regular predator sightings. The scenery changes from floodplains to the vast mopane forests as we get nearer to Xakanaxa where the forests give way to the permanent water channels of the Okavango Delta.

On arrival in Xakanaxa we board our custom designed double decker boat cruise boat. From the lower level we get to see the Delta's crystal clear waterways and water lilies up close. From the higher level keep an eye out for Red Lechwe, Elephant, Kudu, Buffalo and Giraffe in the distance looking over the reed beds and papyrus. The cruise boats upper level is designed specifically to offer us an opportunity at a sighting of the rare and secretive Sitatunga antelope. This area has one of the highest concentrations of Sitatunga in the Okavango Delta.

A delicious picnic lunch is served onboard or under a shady tree on one of the many islands along the way. A dip in the Delta on a suitable sandbank is a fabulous and memorable experience.

We depart Xakanaxa at approximately 3pm for a leisurely game drive back to camp following up on anything we missed in the morning. Arrival back at MmaTsebe Tented Camp will be around 6pm in time for a G&T and sundowners followed by a hearty dinner and an opportunity to share the day's adventures. Minimum 2 guests.
