

Directions to MmaTsebe Tented Camp

From North Gate Khwai

Cross over the bridge and drive through Khwai Village on the main gravel road till you reach this green shop on the right side of the road.

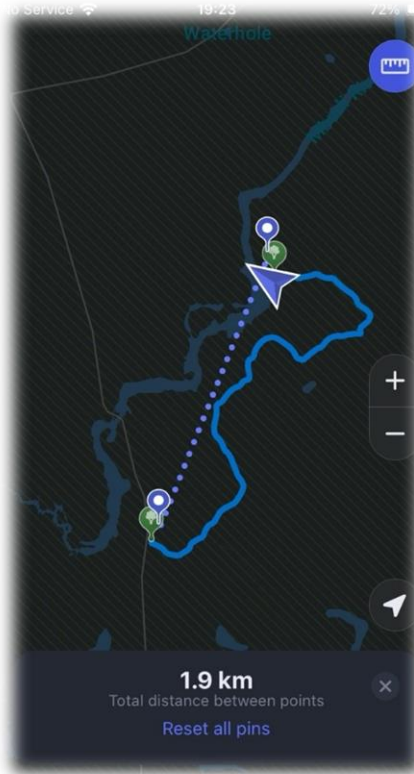

Following the main gravel road from the green shop to the turn off to MmaTsebe Tented Camp is approx. 3.6km, marked by the sign below - the turn off will be to the right.

From here follow the signs to camp the road winds through mostly mopane scrub

In a direct line from the turn off on the gravel road to camp is 1.9km although the actual distance to camp is approximately 4.3km following the windy road shown on the map as a blue line below.

From Mababe / Savuti

As you cross the first bridge coming from Mababe or Savuti (approx. 4km north of Khwai Village)

The turn off from the gravel road will be approximately 800m on your left from the bridge at this sign:

From here follow the signs to camp the road winds through mostly mopane scrub.

In a direct line from the turn off on the gravel road to camp is 1.9km although the actual distance to camp is approximately 4.3km following the windy road.
